Lot 666 then, a chandelier until recently believed destroyed. Some of you may recall the strange affair of the Phantom of the Opera: a mystery never fully explained. We are told, ladies and gentlemen, that this is the very chandelier which figures in the famous disaster. Our workshops have restored it and fitted parts of it with wiring for the new electric light, so that we may get a hint of how magnificent it will look when reassembled. Perhaps we may frighten away the ghost of so many years ago with a little illumination. Gentlemen!
